Our Story

When deciding to start this business we really had no idea where this endeavour would take us. From purchasing the building in 2009 we expanded on the design of the previous restaurant while adding our own flair. The idea to have a contest at the local school is what led us to the name "The Diner Down Under". Our doors opened in August 2010, with the mission statement of being a communitydriven business. To provide a comfortable venue for people to enjoy a meal, as well as a place for the community to gather. Our bakery added in February of 2012 was a great addition, as a way to provide delicious homemade bread, buns, sweets and so much more for our patrons to enjoy. We enjoy seeing our regulars and learning the new faces that walk through our doors. We are excited to see what our future holds.
